WARRANTY

COMMERCIAL ADJUSTMENT POLICY

FOR FIRESTONE COMPACT, GARDEN AND FARM SERVICE TIRES

TIRES COVERED

This policy covers new original-tread Firestone-brand bias-ply agricultural tires (except tires made for or used in pulling contests) if they are used in normal agricultural service. It does not cover tires marked "NO ADJ" or "NA" (nonadjustable) or tires not containing the Firestone serial number. Tires branded DT (damaged tire) are not adjustable for appearance. Tires are adjustable for ride-related conditions only during the first six months of service and up to 1/32" of treadwear.

WHAT IS WARRANTED

If, before wearing down to 2/32" of tread or bar depth remaining, any tire covered by this warranty becomes unusable for any reason within the manufacturer's control, such tire will be replaced with an equivalent new Firestone tire on the basis set forth below. Some examples of causes or conditions normally beyond the manufacturer's control are:

1. Field or road hazards or stubble damage (e.g., cut, snag, puncture, stubble damage, impact break, tear or chunk in tread, bar or shoulder)
2. Apparent overload or improper inflation pressure or abuse
3. Wheel misalignment, rim slip, tire/wheel assembly imbalance, mismatching of adjacent tires or other vehicle conditions, defects or characteristics
4. Conditions caused by misapplications
5. Improper repair or improper insertion of sealant, balancing or filler materials
6. Intentional alteration of either the appearance or the physical characteristics of the tire

COMMERCIAL ADJUSTMENT POLICY

FOR FIRESTONE COMPACT, GARDEN AND FARM SERVICE TIRES

7. Mounting damage or conditions caused by aging or improper storage
8. Failure to observe any of the "Owner-User's Obligation" items listed elsewhere in this publication

This warranty is in addition to, and/or may be limited by, any other applicable written warranty (covering special tires or situations) you may have received.

WARRANTY PERIOD AND PRO RATA PERCENTAGES

During the first year of service (proof-of-purchase must be attached to claim form), if the tire is worn less than 10%, the tire will be replaced without charge including normal mounting and service charges.

After the free replacement period, the replacement price will be prorated based on years of service from the original purchase date (proof-of-purchase must be attached to claim form; if proof-of-purchase is not available or if tire was not purchased new, then replacement price will be based on years from date of manufacture, which is molded into the sidewall of the tire) as follows:

<u>Years of Service or Age During</u>	<u>If Worn Less Than</u>	<u>Pro Rata Collection</u>
2nd Year	20%	20%
3rd Year	40%	40%
4th Year	50%	50%
5th Year	60%	60%
6th Year	70%	70%
7th Year	80%	80%
8th Year	90%	90%
(or until worn out)		

COMMERCIAL ADJUSTMENT POLICY

FOR FIRESTONE COMPACT, GARDEN AND FARM SERVICE TIRES

To determine the replacement price, the appropriate pro rata percentage is multiplied by the current owner-user's regular buying price. Appropriate taxes, mounting or other service charges will be added to the adjustment replacement price.

CONDITIONS AND EXCLUSIONS

TO THE EXTENT PERMITTED BY LAW, FIRESTONE DISCLAIMS LIABILITY FOR ANY SPECIAL, INCIDENTAL, CONSEQUENTIAL OR PUNITIVE DAMAGES; LOSS OF TIME OR PROFITS; LOSS OF VEHICLE USE; OR INCONVENIENCE, EVEN IF ADVISED OF THE POSSIBILITY OF SUCH LOSS OR DAMAGES.

This policy applies only to the actual owner-user of the tires and only to tires used in the 50 United States or the District of Columbia or Canada.

OWNER-USER'S OBLIGATIONS

It is the owner-user's obligation to operate tires within tire load and speed limits (at cold-air pressures specified by Firestone for load and speed according to individual tire size, type and load capacity) and to maintain proper alignment of wheels.

In case of an adjustment claim, the owner-user must present the tire to an authorized Firestone dealer or store; complete and sign the customer section of the Firestone adjustment claim form; attach to the claim form a copy of the proof-of-purchase showing the date the tire was purchased new or proof-of-purchase of the new

FIELD HAZARD AND STUBBLE DAMAGE POLICY

FOR FIRESTONE COMPACT, GARDEN AND FARM SERVICE TIRES

agricultural equipment that the tire came on; and pay the appropriate replacement price, taxes and service charges for a new, current equivalent Firestone-brand tire.

FIRESTONE'S OBLIGATION UNDER THIS POLICY MAY NOT BE ENLARGED OR ALTERED BY ANYONE.

TIRES COVERED

The Firestone Field Hazard and Stubble Damage Policy for bias rear farm tires covers new Firestone-brand R-1, R-2 and R-3 bias rear farm tires and tires used in normal agricultural service. This policy does not cover tires marked "NO ADJ" or "NA" (nonadjustable), tires made for or used in pulling contests, or tires not bearing the Firestone serial number.

POLICY CONDITIONS

This policy only applies to the original purchaser of the tire or of the agricultural equipment the tire came on. If, in normal agricultural service, a Firestone tire covered by this policy becomes unusable or unrepairable as the result of field hazard or stubble damage, such tire will be replaced with an equivalent new Firestone tire on a pro rata basis as set forth below. You must pay as a replacement price the appropriate pro rata percentage of the owner-user's regular buying price. You must also pay mounting and service charges and applicable taxes.

This is a statement of adjustment policy coverage only. Nothing in this policy is intended to be a representation that failures cannot occur.

FIELD HAZARD AND STUBBLE DAMAGE POLICY

FOR FIRESTONE COMPACT, GARDEN AND FARM SERVICE TIRES

FIELD HAZARD/STUBBLE DAMAGE POLICY AND PRO RATA PERCENTAGES

During the first year of service (proof-of-purchase must be attached to claim form), if the tire is worn less than 10%, the tire will be replaced without charge excluding normal mounting and service charges and applicable taxes.

After the free replacement period, the replacement price will be prorated based on years of service if proof-of-purchase is available. If proof-of-purchase is not available, or if the tire was not purchased new, the replacement price will be prorated based on years from date of manufacture (which is molded into the sidewall of the tire) as follows:

Years of Service or Age During	If Worn Less Than	Pro Rata Collection
2nd Year	50%	50%
3rd Year	70%	70%
4th Year	80%	80%
5th Year	100%	90%
(or until worn out)		

To determine the replacement price, the appropriate pro rata percentage is multiplied by the owner-user's regular buying price. Appropriate taxes, mounting fees or other service charges will be added to the adjustment replacement price.

FIELD HAZARD AND STUBBLE DAMAGE POLICY

FOR FIRESTONE COMPACT, GARDEN AND FARM SERVICE TIRES

POLICY EXCLUSIONS

TO THE EXTENT PERMITTED BY LAW, FIRESTONE DISCLAIMS LIABILITY FOR ANY SPECIAL, INCIDENTAL, CONSEQUENTIAL OR PUNITIVE DAMAGES; LOSS OF TIME OR PROFITS; LOSS OF VEHICLE USE; OR INCONVENIENCE, EVEN IF ADVISED OF THE POSSIBILITY OF SUCH LOSS OR DAMAGES.

This policy does not cover broken beads, damage caused by run flat, abuse, misapplication, vehicle projection, accident, collision, fire or vandalism. This policy applies only to the actual owner-user of the tires and only to tires used in the 50 United States or the District of Columbia or Canada.

OWNER-USER'S OBLIGATIONS

It is the owner-user's obligation to operate tires within tire load and speed limits (at cold-air pressures specified by Firestone for load and speed according to individual tire size, type and load capacity) and to maintain proper alignment of wheels. To reduce stubble damage, the owner-user **must**:

1. Set the tire spacing to run between rows – not on stubble.
2. Use mechanical devices readily available through equipment manufacturers to knock down stubble.
3. Make first tillage pass parallel to the rows.

FIELD HAZARD AND STUBBLE DAMAGE POLICY
FOR FIRESTONE COMPACT, GARDEN AND FARM SERVICE TIRES

In case of an adjustment claim, the owner-user must present the tire to an authorized Firestone dealer or store; complete and sign the customer section of the Firestone adjustment claim form; attach to the claim form a copy of the proof of purchase showing the date the tire was purchased new or proof of purchase of the new agricultural equipment that the tire came on; and pay the appropriate replacement price, taxes, and mounting and service charges for a new, current equivalent Firestone-brand tire.

Firestone's obligation under this policy may not be enlarged or altered by anyone.

PERFORMANCE REMINDER

Overloading and incorrect air pressure are two of the greatest causes of premature tire removal. For the best performance possible, select the proper design, size and ply-rated tires for your equipment and operate the tires at the inflation pressure required to carry the working load. Detailed load and inflation tables are included in the Firestone Farm Tire Data Book.

PROPER TIRE SIZES

Tire sizes and ratings are dictated by vehicle geometry, weight and power. Before changing tire sizes, be sure to check with the equipment manufacturer or dealer. Tire measurements and load-carrying capacities for all Firestone agricultural tires are shown in the Firestone Farm Tire Data Book. These measurements are especially important when matching front and rear sizes.
