DURALOAD SDT L-5

DURALOAD

Improving uptime by reducing early tire removal is critical to keeping production rolling. The DuraLoad SDT giant loader tire features unique, heavy-duty, super-deep tread. The DuraLoad SDT is available in nylon and nylon/steel construction and two sizes - 35/65-33 and 45/65-45.

SPECIALIZED FEATURES

- **Unique sidewall rib protection reduces cuts and sidewall damage**
- **Optimum traction and wear life tread design**
- **Shoulder tie bars for added resistance to groove cracking, lug tearing and belt edge separations**
- **Larger footprint with more even footprint pressure**
